## EXPERIENCE

### DRUPAL UX DEVELOPER

March 2019 - Ongoing

### INVESTIS DIGITAL, LONDON

Building the new Ocado Corporate site using their in-house built distribution, creating new functionality and 'modules', styling in SCSS adapting the Twig markup according to the designs provided. Site currently on schedule due to go live on August 1st.

### FULLSTACK DEVELOPER

May 2017 - Feb 2019

### DENNIS, LONDON

Developed a Grunt solution for the automatic build of ad starter kits used in the ads created in-house, saving up to 70% of the developing time. Led the development of a new brand site ([drivingelectric.com](https://drivingelectric.com)) following the atomic design methodology with Twig and Patternlab in just 8 weeks, making it possible to develop the theme in parallel to the backend and being the fastest site released to date. Drupal 8 theme development using smacss styling. React and Riot frontend development for [buyacar.com](https://buyacar.com) with Jest unit testing. Collaborated in the new decoupled platform based on microservices, with AWS services & React.

### SOFTWARE ENGINEER

Jul 2015 - May 2017

### DENNIS, LONDON

Drupal 7 module development for Dennis custom distribution used by more than 20 sites. Distribution and site level module development and distribution version upgrades, behat BDD test writing. Some experience in Drupal 8 module development used for some of the distribution modules.

### BACKEND DRUPAL DEVELOPER

Dec 2014 - Jul 2015

### CATCH DIGITAL, LONDON

Part of the BBC Goodfood Project Team, developing new features and maintaining their Drupal 7 installation. Campaign landing pages in Drupal for Rimmel London, Facebook integrated contests to gather user data for Sally Hansen.

### BACKEND DRUPAL DEVELOPER

Oct 2012 - Dec 2014

### ATD TRAVEL SERVICES, LONDON

Drupal 6 module development for the ticket selling multidomain platform, grouping more than 15 websites in a variety of languages. Drupal theming for the various themes used within the platform for brands like SeaWorld, Theme Park Beds, Do Something Different, Attraction Tickets Direct.

## EDUCATION

### EUROPEAN ERASMUS PROGRAM

2011 - 2012

### GDANSK UNIVERSITY OF TECHNOLOGY, POLAND

Excelled in the Polish for Foreigners class and was 1 of the 3 nominated for the best polish speaker student that year.

### BACHELORSE OF COMPUTER SCIENCE DEGREE

2005 - 2011

### UNIVERSITY OF ALICANTE, SPAIN

Specialty in software for management solutions, like Point Of Sale (POS) and Enterprise Resource Planning (ERP). Experience in C#, C++.
